Dear Mr. Hilland:

This letter is in response to your request for additional information, dated 1/6/09.

In regards to the failure to file a 48-hour notice on Lee Halprin, the committee has discovered that there was a coding error in this donor's record that led to a 48 hour notice not being filed on this itemization. The contribution was a proceed from a joint fundraising transfer and requires special coding in the filing software. However, the committee is constantly reviewing its procedures in order to make its best efforts to accurately report all required data and to help ensure that the Federal Election Commission always has the most correct information. It is our intention to maintain the highest standard of reporting so that all of the Committee's financial activity is accurately reflected on the public record.

If you have any further questions, please feel free to contact the Committee.

Sincerely,

Karen Feldman  
Treasurer  
Gillibrand for Congress
